Proposed Regulations

1. Attached for your review and comment is a copy of proposed regulations prepared by the JFK Assassination Records Review Board. The regulations focus on the definition of "assassination record", which is very broad. The possibility of requiring additional records searches is raised.

2. The Board plans to discuss the regulations at its next meeting on 6-7 March, so it would be helpful to give the Board our input in advance of that meeting. Please provide Barry Harrelson (x30292) or me (x30373) with your comments by 1 March.
